

## SITUATION OF THE NON-FINANCIAL ENTERPRISES IN THE EPIDEMIC SITUATION APRIL 2021

The National Statistical Institute of Bulgaria conducted short business survey amongst non-financial enterprises aiming to collect and present to the society and policy makers information on the economic effects from the declared state of emergency and the ensuing epidemic situation in the country due to COVID-19.

In April 2021, 28.3% of the responded non-financial enterprises declared a decrease in revenues from sales of goods and services compared to March 2021, 53.1% declared no change and 18.2% - an increase (Figure 1).

Figure 1. Change in revenues from sales of goods and services in non-financial enterprises as compared to previous month, 2021

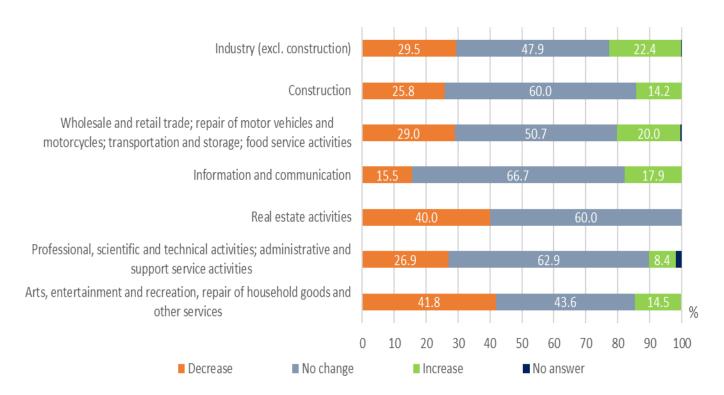

The breakdown by economic sectors showed that in April 2021 41.8% of the non-financial enterprises in 'Arts, entertainment and recreation, repair of household goods and other services' had a decrease in revenues from sales of goods and services, followed by 'Real estate activities'- 40.0%, 'Industry' - 29.5%, and 'Wholesale and retail trade; repair of motor vehicles and motorcycles; transportation and storage; food service activities' with 29.0% (Figure 2).

Figure. 2. Change in revenues from sales of goods and services in non-financial enterprises in April 2021 as compared to previous month, by economic sectors

As regards the employees, 13.7% from the responding non-financial enterprises answered that they had to use 'unpaid leave' as a measure for reducing the effects from the state of emergency and the epidemic situation, followed by 'paid leave' - 12.9%, 'Teleworking' with 12.0% and 'government subsidies' - 9.4% (Figure 3).

Figure 3. Measures taken concerning employees in the enterprise

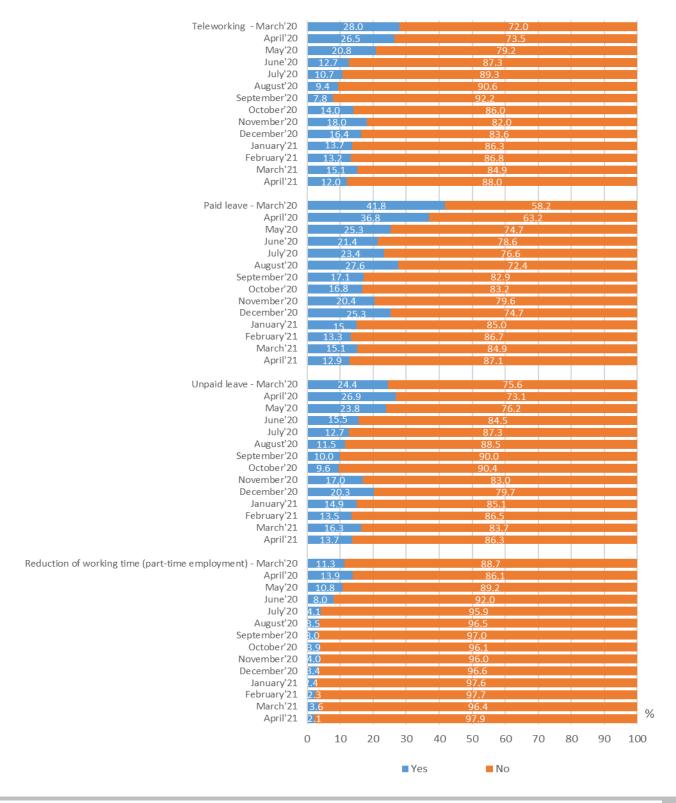

Figure 3. Measures taken concerning employees in the enterprise (continued)

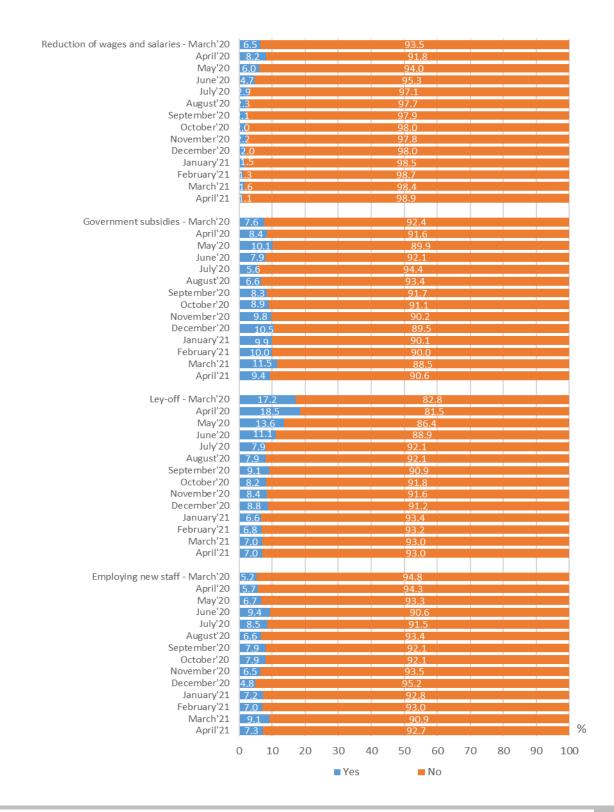

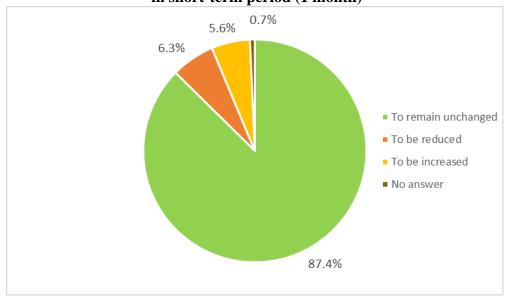

Figure 4. Expectations about the number of employees in the enterprise in short-term period (1 month)

In the following month 95.1% from the answered non-financial enterprises, expect that they will be able to continue their current activity, 1.3% expect to stop to perform economic activity temporary, while 2.5% expect to close down their business (Table 1).

## 1. Expectations about the enterprise future in short-term period (1 month)

Per cent

Period	To continue to perform its current activity	To stop to perform economic activity temporary	To stop to perform economic activity at all	To change its activity	No answer
March 2020	80.6	15.4	2.0	1.8	0.1
April 2020	90.0	6.8	1.6	1.2	0.4
May 2020	93.2	3.8	1.6	1.3	0.1
June 2020	92.8	3.3	2.1	1.1	0.8
July 2020	93.4	3.4	1.4	1.2	0.5
August 2020	94.5	2.0	1.8	1.0	0.6
September 2020	95.1	1.9	2.2	0.6	0.2
October 2020	94.4	3.2	1.6	0.5	0.2
November 2020	92.5	4.5	2.1	0.8	0.1
December 2020	92.0	4.7	1.7	1.1	0.5
January 2021	92.9	3.4	2.0	1.1	0.5
February 2021	93.7	2.1	1.9	1.8	0.5
March 2021	93.4	2.3	1.9	1.4	1.1
April 2021	95.1	1.3	2.5	0.7	0.4

## **Methodological notes**

The survey of "Non-financial enterprises" was carried out in May, in the sample were included 3 770 enterprises with at about 230 thousand employees. The participation in the survey was voluntary.

The unit of observation is the enterprise, which carries out one or more activities on one or more locations and produces goods or services for third parties. The definition of the enterprise meets the requirements of Regulation (EC) No. 696/93 for statistical units. The data refer to the activities of non-financial enterprises carried out on the territory of the country.

The coverage of economic activities is as follows: Industry; Construction; Wholesale and retail trade; repair of motor vehicles and motorcycles; transportation and storage; food service activities; Real estate activities; Information and communication; Professional, scientific and technical activities; administrative and support service activities; Arts, entertainment and recreation, repair of household goods and other services.

Not covered by the survey are economic activities: Agriculture, forestry and fishing; Financial and insurance activities; Human health and social work activities; Education; Public administration and defense; compulsory social security.
