Methodological notes

Statistical data on anti-social acts of minors and juveniles are elaborated on the basis of annual information received from the Local commissions for prevention of juvenile delinquency.

Objects of the survey are the Local commissions for prevention of minors and juvenile anti-social acts.

Units of the survey are the minor and juvenile persons - perpetrators of anti-social acts and crimes.

Anti-social act is an act which is publicly dangerous and against the law, or contradicts the morality, and the good manners. Correctional measures are imposed upon the offenders of such acts according to the Juvenile Delinquency Law.

Child pedagogic rooms are special institutions for the prevention of crimes and anti-social acts, committed by minor and juvenile persons.

In the number of Minors and Juveniles registered as new entrants in the Child pedagogic rooms during the year are included all minors and juveniles perpetrators of crimes and/or anti-social acts during the reported year; convicted for general crimes; realized from the correctional facilities, Correctional boarding-schools and the Social-pedagogic boarding schools.

In the number of Minors and Juveniles registered in the Child pedagogic rooms are included all minors and juveniles perpetrators of crimes and/or anti-social acts; convicted for general crimes; realized from the correctional facilities, Correctional boarding-schools and the Social-pedagogic boarding - schools. Minors and juveniles are registered for 2 years period after that period they are removed if they did not commit again anti-social acts or crimes.

In the number of Minors and Juveniles passed on to Child pedagogic rooms are included minor and juvenile persons who have committed acts of little importance, for which single police intervention was sufficient and no reason for their registration in the CPRs.
