The statistical information on the activities of General Government institutional sector including debt, deficit and surplus is elaborated according to the harmonized EU methodology¹. In implementation of Council Regulation (EC) No. 479/2009 on the application of the Protocol on the excessive deficit procedure annexed to the Treaty establishing the European Community, each member state provides to Eurostat (European Commission) preliminary data on deficit/surplus and debt for the reporting year as of 31st March of the next year and the final data - as of 30th September of the next year.

¹ The harmonized EC methodology is defined in the Manual of Government Deficit and Debt on General Government Sector and the European System of National Accounts (ESA 2010) of Eurostat.
