

DECLARATION OF CONFLICT OF INTEREST

The undersigned,.....,
(first name, surname, last name)

.....,
(position) (name of the organisation/company)

I declare that I understand my role as author/editor/reviewer and declare in good faith that:

I have NO conflict of interest

I have no actual, potential, or perceived conflict of interest in relation to my role as author/editor/reviewer in ‘Statistics’ Journal in this proceeding and pledge to perform my duties with the highest degree of objectivity and integrity.

I have a conflict of interest

Choose one of the following

- **Actual:** This is an existing conflict of interest, for example: you have a close relative who is a director or holds another senior position.
- **Potential:** This is a conflict of interest that is about to arise or may arise, for example: you or a close relative are in the process of applying/participating in the same project.
- **Perceived:** This is a conflict of interest that may be perceived by others as compromising the person's objectivity, for example: you have a close personal friendship with a director or other principal of the project.
