1921—1925	4,853	331,054	5,141,303	211,030	529,078	344,011	10,179,233	411,232	-	103,773		98.0
1926—1930	2,121	360,307	6,370,259	237,621	929,897	413,973	12,583,098	469,271	-	157,420		97.5

Забележка 1. Сведенията за 1920—1928 год. са коригирани, съгласно обявените данни в «Статистически годишник» за 1929—1930 год. стр. 189. Корекцията важи само относно настоящата таблица — *Annuaire* 2. Les renseignements pour 1920—1928 sont corrigés conformément aux explications données dans l'Annuaire statistique 1929—1930, page 189. — La correction ne vaut que pour le tableau présent.

Забележка 2. Начислението на стойността на вноса и износа в швейцарски франка е направлено по средния месечен курс на франка през 1913—1933 год. въз основа на сведенията за стойността на вноса и износа по месеци и години — *Annuaire* 2. L'ex-pression de la valeur des importations et exportations en francs suisses est faite d'après le cours moyen mensuel du franc suisse en 1913—1933, sur la base des renseignements concernant la valeur des importations et exportations par mois et années.

3) Във вноса са изразени само животни, автомобилите и вагоните — En nombres sont exprimés seulement les animaux vivants, les navires, les wagons, les automobiles et les chars.
