

PREFACE

The increased interest in tourism statistics is due to the rapid development of the international and domestic tourism in this country.

The present publication issued annually, comprises all basic statistical data on the development of tourism for the years 1970, 1975, 1980, 1985 and the period of 1988 – 1991.

The data are classified into the following sections:

A. GENERAL REVIEW

I. INTERNATIONAL TOURISM

II. TOURIST AND RECREATION ACCOMMODATIONS

B. REGION REVIEW

I. ACCOMMODATION ESTABLISH- MENTS

II. RECREATION AND REST HOUSES

Methodological notes at the beginning of the publication should be borne in mind when these data are used.
